THE ADA LEGACY PROJECT
PRESERVE • CELEBRATE • EDUCATE

The ADA Legacy Project & Tour is a collaborative effort to generate buzz and excitement around the ADA, to educate the public, especially younger generations, on the movements leading up to the ADA and to pose the question of "What will you do now to further disability rights in a post-ADA generation?"

The ADA Legacy Tour is a moving testament to the work of thousands of disability rights activists.

All events are free and open to the public.
