2016 Legislative Education Project (LEP) is underway

by Rob Honan

The 2016 Legislative Education Project (LEP) is off to an early and fast start.

LEP on the Road

Rob Honan and Laura Mueth have already presented at three centers for independent living in December, helping staff and consumers become more knowledgeable about the legislative process and ready for the upcoming legislative session.

LEP on the Road participant Barbara Simon holds up sign about a legislative topic important to her.

LEP on the Road participant Az Khan holds up a sign about an important legislative topic.

LEP at the Capitol

The Governor's Council on Disability staff is still offering a training at the Capitol in Jefferson City for those who are interested in receiving a legislative training "in the heart of the action." We have already had one school group schedule. There are no pre-set dates as in the past. If you would like to discuss bringing a group of advocates, contact Laura Mueth at 800-877-8249 or Laura.Mueth@oa.mo.gov.

LEP Online

Two of the learning modules: Understanding How a Bill Becomes a Law in Missouri and Your Elected Officials and General Assembly have been updated. The learning modules are available on the Legislative Education Project web page at <http://disability.mo.gov/gcd/LEP.htm>.

Videos about hearings and testimony, building a relationship with legislators, and voting are also available.

Pictured below is a group of LEP on the Road participants displaying signs about legislative topics that are important to them.

We would like to thank The Whole Person in Kansas City, Services for Independent Living in Columbia, and West-Central Independent Living Solutions in Warrensburg for hosting us. The LEP on the Road training may still be requested once the legislative session begins. If your organization is interested in hosting a training for your staff, consumers, families, or advocacy organization, contact Laura Mueth at 800-877-8249 or Laura.Mueth@oa.mo.gov.

Service Animal Fraud

by Laura Mueth

The Governor's Council on Disability has received many calls over the last few months from people concerned that their business is letting in fraudulent service dogs.

There is nothing a Missouri business can do at this time to prevent fake service dogs from entering the business.

are making efforts to alert the U.S. Department of Justice to the severity of the situation on a national level in hopes that it may bring about future changes.

TAKE THE PLEDGE: >>>

Protect the Rights of People Who Legitimately Need Service Dogs

Your Action Needed! Our Target: 50,000 Signers

Business owners or individuals with disabilities can help to educate individuals and legislators by talking to their friends and family about the issue, signing the Canine Companions for Independence [pledge](#), and talking to your state representative or senator and the U.S. Department of Justice.

The Governor's Council on Disability is available to assist individuals or groups with crafting a message to share with your legislators.

Many individuals express concern about the inability to ask for some type of identification that the dog is a legitimate service dog. Many of them state they have no recourse under the current laws. Some comment that it is being abused by individuals who know they can get by with it.

The State of Missouri and the federal government do not have a law penalizing someone for impersonating a service dog, or that works to deter service animal fraud.

Several states have enacted laws making the act a crime. Organizations such as Canine Companions for Independence

GCD publishes 2015 Annual Report

by Claudia Browner

Per statute, the Governor's Council on Disability (GCD) is required to publish an annual report each year.

Compiling this report provided opportunity to reflect on the goals we have accomplished in 2015, and focus on the tasks that lie ahead for 2016.

Some of the highlights for 2015 were:

- Linda Baker retired from GCD after more than 19 years with the agency
- Rob Honan was rehired as the Executive Director
- Yvonne Wright was appointed as the Chair for GCD
- A record number of 27 delegates attended the Missouri Youth Leadership Forum
- GCD began publishing the quarterly newsletter
- GCD and partnering agencies hosted the Hands Around the Capitol event
- GCD introduced LEP on the Road

2015 Inclusion Award Winners

The Governor's Council on Disability (GCD) has selected the award winner and honorable mention of the **24th Annual Inclusion Award**.

The Inclusion Award and one Honorable Mention are presented annually to recognize private and public employers, individuals, and organizations that have successfully included people with disabilities in education, employment, housing, and leisure activities. Individuals are also encouraged to nominate state and local government divisions or employees they truly feel excel in inclusive practices.

The **2015 Inclusion Award winner** is the **THRIVE** program in Warrensburg.

Transformation, Health, Responsibility, Independence, Vocation, Education (THRIVE) are the goals of any college student. At the University of Central Missouri (UCM), they are the foundation of THRIVE. This two-year certificate program prepares students with disabilities for independent living, personal interaction, and employment fitting their goals and abilities. THRIVE provides improved academic abilities, interaction with age peers, computer skills, job skills, and career-focused internships. THRIVE partners with UCM's Communication Disorders, Kinesiology, Social Work, Counselor Education, and others to develop the knowledge of their own students for the benefit of the THRIVE program. Students in peer organizations of fraternities, sororities, intramurals, and other UCM groups embrace the THRIVE students and will ultimately become employers who hire persons with disabilities. THRIVE graduates have achieved results equivalent to other college students.

The **Honorable Mention for 2015** goes to **Kelsey Mack** of Blue Springs.

Kelsey's dream was to create and operate her own business, to assist other individuals with disabilities, to be more fully included and explore their talents through employment. As a result, Kelsey created The Bird's Nest in November 2014.

Located in Blue Springs, The Bird's Nest is a gift shop which sells items handcrafted solely by individuals with disabilities. Kelsey's secondary goal is to hire these same individuals to work within the shop. During 2014 and 2015, Kelsey signed 27 crafters, bakers, and artists to sell their creations, and has employed an adult with a traumatic brain injury to create her logo. Kelsey has demonstrated excellence in leadership and advocacy within The Bird's Nest.

For additional information about the Inclusion Awards, please contact GCD at 573-751-2600 or by email at gcd@oa.mo.gov On the web: <http://disability.mo.gov/gcd/inclwin.htm>

2015 Youth Leadership Award Winner

The Governor's Council on Disability (GCD) has selected the winner of the **3rd Annual Youth Leadership Award**. The Youth Leadership Award is a program to recognize an outstanding Missouri youth (age 16-26) with a disability that has demonstrated exemplary leadership by making a difference in their community.

The **3rd Annual Youth Leadership Award winner** is **Caitlin Bartley**

Caitlin recently graduated from Lincoln University (LU) with a double major in Psychology and Social Work with Magna Cum Laude honors, and has been accepted into the Masters Program at the University of Missouri, where she will continue her quest to help others through social work. Caitlin's disability is severe, but she has never let this be an obstacle to her accomplishments. Attributes like self-awareness, proactive involvement, perseverance, goal-setting, and the use of effective support systems have led her to a successful and rewarding life. On LU campus, Caitlin initiated changes in two of the main buildings to make them accessible.

Her achievements and honors include: MDA Goodwill Ambassador for central Missouri; Missouri Youth Leadership Forum graduate; Speaker for Children's Miracle Network Radiothon, Women's Rights Conference, Transition Summit, and Power Up Assistive Technology Conference; Assistant Secretary to LU's Student Government Association, and member of the Women's Leadership Academy at LU.

For additional information, please contact GCD at 573-751-2600 or by email at gcd@oa.mo.gov Web: <http://disability.mo.gov/gcd/youthleadershipaward.htm>

The awards will be presented at the Missouri Assistive Technology's **Power Up conference** at the St. Charles Convention Center in St. Charles on April 19, 2016.
