HB 2580 - Rehder

Changes the laws regarding the priority of persons to be appointed guardian of an incapacitated person or conservator of a disabled person

This act states the court shall appoint and give priority to the individuals listed when appointing another guardian of an incapacitated person or

another conservator of someone with a disability as long as they are qualified under the applicable statute and suitable. Prior to another eligible person being appointed, a court must determine that the guardian or conservator is deficient in his/her ability to serve in the role. If there is a claim that the guardian is deficient due to substandard living conditions, the Department of Health and Senior Services is required to conduct an investigation and submit a report prior to a determination. The finding must be that the living conditions are dangerous or unsanitary and materially affect the life, health, or safety of the incapacitated individual in order for a priority individual to be deemed deficient due to substandard living conditions.
