Welcome to the tenth issue of the 2018 Legislative Update with the 99th General Assembly.

The *Legislative Update* will present a new bill by providing a summary description. When significant changes occur on the bill it will be summarized again. Any changes in bill status will be highlighted in **red** and an asterisk will be placed before the bill number.

- The *Legislative Update* issue number and current bill summary will be inserted each week along with the bill number, title, sponsor, and current status (includes the committee assigned, chair and vice chair of the committee). Online copies of the legislative updates will have a red hyperlink to take you to the description of the bill and sponsors.
- Each issue of the *Legislative Update* is available on the Governor's Council on Disability's website at <http://disability.mo.gov/gcd/>. Access to individual bill information is available on the Missouri Senate's website at <http://www.senate.mo.gov/BTSSearch/Default.aspx>
- A glossary of legislative terms can be found at [Missouri House of Representatives](#)
- Please contact our office (Laura.Mueth@oa.mo.gov) if you need a different format.
- To learn more about the legislative process consider attending the *Legislative Education Project* training or watching our online modules and videos.
- Governor's Council on Disability (GCD) welcomes your comments and suggestions. Your comments can be submitted online to the GCD website at <http://disability.mo.gov/myForm.htm> or call us at (800) 877-8249.

HB 2686 - Rowland

Repeals provisions of law relating to state preemption for the field of regulating the use of hand-held electronic wireless communications devices in motor vehicles

This bill repeals the provision that the state preempts the field of regulating the use of hand-held wireless communications devices in motor vehicles and that provisions of state statute in this field supersede any local law, ordinance, order, or regulation enacted by a county, municipality, or other political subdivision to regulate the use of hand-held electronic wireless communications devices by the operator of a motor vehicle.
