Delegate Selection Process

1. All applications are initially reviewed for eligibility requirements.
2. All eligible applicants will be contacted by telephone during the first part of April to arrange a short phone interview. A member of the MO-YLF Planning Committee will contact the applicant at the telephone number provided on their application.
3. If the committee member has difficulty getting in contact with the applicant, they will attempt to call the school to schedule an appropriate time for an interview. ****It is very important to make sure you provide the most up-to-date contact information and to follow up with us as soon as you are able if you miss a phone call from our team.****
4. Your interview is just another chance for us to learn more about you and get to know you better.
5. Once the planning committee members have completed all the interviews, they will meet to discuss and make their selections.
6. All applicants will receive a letter in the mail by the end of April to notify them whether they were accepted, placed on the waiting list, or not accepted.
7. Up to thirty delegates (applicants) will be selected to attend. Alternate delegates are applicants who are placed on a waiting list to attend the MO- YLF if a selected delegate is no longer able to attend.

Those who are selected to attend MO-YLF or are placed on the waiting list will be asked to complete additional steps. Please see the information below:

- If selected or placed on the waiting list, you will receive additional forms with your letter that will need to be completed and returned. These forms will help provide additional information, including details about what reasonable accommodations are needed. They also help us to make sure we can provide all participants with the best possible experience during MO-YLF.
- You will also be asked to provide a headshot photo of yourself, which will be used for your name tag and our participant roster that staff members are provided with.
- Your packet will also include more detailed information about the forum's schedule and activities.
- Parents/guardians will also be contacted by a Vocational Rehabilitation (VR) counselor to complete a required authorization form for participation. This form is separate from those that you will receive in your acceptance/waitlist packet.

Waitlist (alternates):

- The only difference between your packet and the selected packet is you won't receive the pages that include detailed information about the Forums schedule and activities.
- If a spot opens up for you to participate in MO-YLF, you and your parents/guardians will be informed by email. We will also follow up by phone if we don't get confirmation that you've received our email. This is when you will receive additional detailed information about the Forums schedule and activities.
- We often get asked why those who have been placed on the waitlist need to complete the forms, sign the VR authorization form, and submit a photo. The reasoning behind this is that our team wants to make sure we have everything in place for you to attend if the possibility arises, even if it's a week before MO-YLF!

Should you have any questions, please contact the Governor's Council on Disability office at 573- 751-2600 or 800-877-8249 or gcd@oa.mo.gov
